

Secondary School Admissions

September 2019

If your child was born between 1 September 2007 and 31 August 2008, then they will be due to start secondary school in September 2019.

Key dates

- **w/c Mon 3 Sept, 2018** Your child's primary school will hand out letters from us, which invite you to apply for a place and applications open
- **Wed 31 Oct, 2018** Application close date
- **Fri 1 March, 2019** An email or letter will be sent to you on or around this date informing you of the school you have been offered for your child

How do I apply?

- Apply online at **www.stockton.gov.uk/schooladmissions** (if you do not have access to the internet at home, you can access the website at any library)
- The letter will also contain a telephone number that you can ring to request a paper application form, if necessary. All forms (online or paper) must be received by the School Admissions team by 31 October 2018 – any forms received after this date will be classed as 'late' applications and we will only be able to consider them after we have considered all of the applications received before the closing date.
- You must complete an application form in order to gain a secondary school place for your child – do not assume that a place will be allocated automatically.

Choosing a Secondary School – Hints & Tips

- Visit schools open evenings, taking place in the autumn term
- Look at each school's website and prospectus
- Review performance tables and Ofsted reports - **www.gov.uk/school-performance-tables**
- Think about how your child will travel to school and read the latest school transport policy - **www.stockton.gov.uk/schooltransport**
