Maths

- Practice rounding to the nearest 100, 1000 and 10,000. When you feel confident, make a short video clip of you explaining how it works for us to watch!
- Create your own times tables board game to share with the class.

Reading and Writing

- Write a book review for a book you have enjoyed reading this term. See Miss Wilberforce for a template.
- Research factors that are endangering the Great Barrier Reef. Write a letter persuading people to work harder to protect the Great Barrier Reef.

PE - Try your best to be active for an extra 30 minutes a day.

Topic - Research animals that can be found in the Great Barrier Reef. Create a non-chronological report giving detailed information on a selection of animals. Try your best to incorporate ambitious vocabulary.

Science - Choose three materials and investigate what happens when they are combined with water. Do they dissolve, float, sink or react? Write up your findings and report back to the class.

DT - Make a model of a famous Australian building or landmark.
