circus	gnaw	child	wrote
rice		children	

Homework in Year 2

Please listen to your child read at least four times weekly and note any comments in their reading record book. Please see the attached sheet with ideas to help you support your child with reading.

Spellings are tested on Mondays.

Times tables. All children must know their $\times 10 \div 10$, $\times 2 \div 2$ and $\times 5 \div 5$ tables by the end of Year 2. They should also be able to count in steps of 3. The children have a log-on to Times Tables Rockstars to help them practise as well as Spelling Shed for their spelling practice. These passwords will be stuck into Reading Record Books. 'Hit the Button' is another fantastic website that has tablet-friendly maths games for many key areas including Place Value, Number Bonds and Times Tables.

Please choose any two of the following homework tasks this half term:

Create a short Power-Point to tell the class all about something that you are interested in. This could be Minecraft or horses etc. This can be emailed in to the office.

With some adult help, do some baking at home where you measure the ingredients, follow a recipe and do the clearing up! You can e-mail the office a photo of your masterpiece!

Design / draw or make a (small) model of a particular animal in their habitat, thinking about how their habitat needs to help them survive
OR
Make your own (not life-size) model Dinosaur from recyclable / craft materials or Lego.

Tick off these skills:

- fasten your tie
- tie your laces
- do / undo your own buttons
- Use a knife and fork properly
- Tell the time to the nearest half hour.
