Homework in Year 2 Please listen to your child read at least four times weekly and note any comments in their reading record book. Re-reading sentences or paragraphs that have been a challenge is very valuable as we are aiming for fluency. Reading to your child is still extremely valuable.

Spellings are tested on Mondays. Challenge words will be included in the last week and are optional. Red Card Spellings are words that we need to be spelling correctly all the time in our work and will be on the wall in class to check. Spelling Shed log-ins have been printed and stuck in Reading Records.

This half term there will be weekly maths homework. Please choose only ONE of the additional options from the menu below.

Build a model Tudor House from Pudding Lane in 1666

Design a Fire Safety Poster for 2019

Write a Biography about someone you admire.

Make a maths video to explain how to subtract using a number line.
